# Knitting Loom Sizes

Use this chart to determine how many pegs and parts you need for the size of hat you'd like to make. These are approximate measurements using an [adjustable loom](#), but based on your loom, yarn, and stitches, the sizes may vary so modify as necessary.

Full Instructions: <https://www.abcrafty.com/loom-knit-hat>

SIZE	FITS	PEGS	PARTS	YARN	HAT LENGTH (INCHES)
X-Small	Baby	Small Gauge 56 (All Pegs)  Large Gauge 28 (Half Pegs)	<ul style="list-style-type: none"><li>• 2 Round Ends</li><li>• 2 Connectors</li></ul>	100-150 Yards	4.5"
Small	Youth	Small Gauge 68 (All Pegs)  Large Gauge 34 (Half Pegs)	<ul style="list-style-type: none"><li>• 2 Round Ends</li><li>• 2 Straight (3)</li><li>• 4 Connectors</li></ul>	100-150 Yards	6"
